Brendan is a professional in campaign phone solicitation technique. He excels in campaign telemarketing and phone solicitation. Since joining R&M in 2008, his talents have been employed on R&M's campaigns for the Denver Metro Chamber of Commerce, the Corpus Christi Regional EDC and Upstate Colorado Economic Development.

Prior to joining R&M, Brendan was employed in the construction trades for several years. He is a co-founder of McCarthy Brothers Electrical Contracting Company, where he specialized in commercial and residential electrical installation and repair. He holds a Low Voltage Electrician Certification, the result of successfully completing the IBEW's three-year apprenticeship program. He also holds a valid CDL license and is an experienced driver of tractor trailers.

Brendan is completing his Bachelor of Science in Business from the University of Phoenix. He resides near Denver Colorado. He enjoys fishing, hunting, golfing, and is an avid skier.
